

## P.A.N.D.A Parent Workshop

What: Parents And Neighbor's Delivering Alternatives

When: March 20, 2017 at 9:00AM

Where: Aventura Community Recreation Center

Why: The purpose of this course is to raise parental awareness to the increasing trend of juveniles involved in financial crimes. This course will give parents an overview of why teenagers get involved in fraud and familiarize parents with the indicators of fraud activity to allow them to detect and address the activity occurring in their homes. As well as provide parents with resources to assist with diversion programs.

*This workshop will be presented by Detective Sealy from the Aventura Police Department. Detective Sealy is a member of the IRS ID theft task force and has investigated financial crimes on both the state and federal level.*
