

ACES Club Sponsorship Program 2007-2008

We'd like to invite you to come join our ACES family!

Aventura City of Excellence School (ACES) is excelling in our fifth year, and we are incredibly proud of our many successes!

In our second, third and fourth years, we have ranked as an A school and last year, we ranked #3 in the State of FL for high performing combination schools. We have won the National Promising Practices Award of Excellence for the past three years for our Character Education Program with our "Knock Your Socks Off" Parenting Workshops, Human Rights Curriculum and Community Care Outreach Program.

ACES is the first municipal-run charter school in the county. We have received rave reviews from the media, community, our parents and our 900 wonderful satisfied students.... our ACES Shining Stars! We are filled to capacity with a waiting list that exceeds 1,000.

We have over 26 exciting special interest clubs in our school and would like to offer your company the opportunity to sponsor one of these clubs for a Tax Deductible donation of \$1,250.

We believe that we have created an outstanding sponsorship benefit package that will give your organization a great deal of recognition and exposure for our club season this year. The sponsor benefits package is attached as well as a list of some of the clubs that are available for sponsorship. We'd be happy to discuss Club options with you personally.

Our ACES family is growing, and as you may have read, we added a new Middle School to our beautiful campus and to the ever-growing Aventura Area. Our families are prime candidates for growing your business.

You're invited to come join our fabulous ACES family and get in on the ground floor.... We'd love to have your company as an active member of our school!

Sincerely,

Ms. Julie Alm, Principal

Leslie Loewenthal, Special Events/Projects
