Eric M. Soroka
City Manager

Julie Alm
Principal

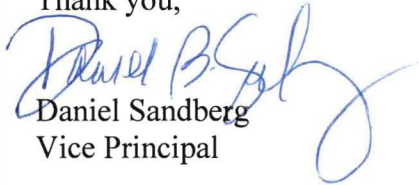

Dear Parents,

Miami-Dade County Public Schools has decided to remove the administration of midterm examinations and final examinations as part of the calculation to determine student progress.

Final averages for student grades will now be based on the four quarters, each with a value of 25%. Students still must earn a point in each core subject (including mathematics, language arts, science, and social studies) for each year of their middle school career, along with career education and entrepreneurship (8th Grade) in order to matriculate to high school.

If you have any questions, please contact me at 305-466-1499 or through email at dsandberg@aventuracharter.org.

Thank you,

Daniel Sandberg
Vice Principal
