

August 2009

Dear Parents,

Beginning **September 25, 2009**, **ACES** will continue to offer Tennis as another Intramural sport students can choose from. The Spring session was a huge success, and this year we will also be adding a Winter/Spring session. **K-2** students will use a “**Mini Tennis**” format with an adapted court, racket size and oversized tennis balls. **3-8** students will receive instruction and match play. The season will last 8 sessions and will last until the end of November 2009.

Once registered, students will be given a schedule and all instruction and match play will be held at the **Ives Dairy Estate Tennis Center** on Saturday afternoons.

The cost of the activity will be \$60 made to the **City of Aventura** and will cover court fees and balls. Space is limited and registration must be received by **September 18, 2009**. If interested, please complete the attached form/payment and return it to **ACES** front office.

Coach Francis who has several years of experience playing, coaching and teaching tennis will remain available to answer any questions you may have regarding this activity. Also, any parents interested in completing their volunteers hours teaching tennis, please to not hesitate to contact him by e-mail: frajotte@aventuracharter.org.

Sincerely,

Julie Alm
