

November 2007

Dear parents,

Your child will have the unique opportunity to learn the basic fundamentals of Tennis during their Physical Education class from November 5-16, 2007.

Also, beginning January 2008, A.C.E.S. will continue to offer Tennis as another intramural sport students can choose from. **K-2** students will use a “**Mini Tennis**” format with adapted racket size and oversize tennis balls. **3-8** students will be put on a team based on their ability and compete against teams formed at the school. (“**Davis Cup**” format). The season will begin in January and continue until April with the championship being played at the end of that month.

Students will be given a schedule of practices and matches which will be held at the Ives Dairy Estate Tennis Center on Saturday afternoon.

The cost of the activity will be \$40.00. All checks should be written to the City of Aventura. This cost includes court fees, balls and medals. The deadline to register is December 21, 2007. Space is limited and registration submitted after the deadline will not be accepted. If interested, please complete the attached form and return it to the Elementary School front office.

Coach Francis who has several years of experience playing, coaching and teaching tennis will remain available to answer any questions you may have regarding this activity. Please do not hesitate to contact him by e-mail: [frajotte@aventuracharter.org](mailto:frajotte@aventuracharter.org).

We hope that all students will take part in this exciting activity offered by the school.

Very truly yours,

Julie Alm  
Principal

# A.C.E.S INTRAMURAL TENNIS (K-8)

Please complete the information below and return by **December 21, 2007** to the  
**Elementary School front office.**
