

## Grandparents and Students Start the Day Together with Breakfast & Books

ACES students and grandparents celebrated ACES 7<sup>th</sup> Annual Scholastic Book Fair “Books and Breakfast” event to honor reading literacy and family time together. Principal, Julie Alms said, “Our grandparents had an opportunity to visit ACES, to participate in their grandchild’s education and to encourage our students to become lifelong lovers of reading.” Students and Grandparents enjoyed a sumptuous breakfast and then shopped the ACES Book Fair together. Parent Volunteers did an outstanding job of assisting with the event’s breakfast and in the book store. Community businesses and families donated goods for the delightful breakfast along with their time to make the event a huge success. The joyful expression on the faces of ACES students and grandparents demonstrated that the event was a special occasion for all.
